ESSENTIAL OIL BLENDS

Bespoke Blending Services

At Aromatica Botanica, we craft premium, cost-effective natural fragrance and functional blends for cosmetics, aromatherapy, haircare, and home care. Using 100% pure essential oils and certified natural isolates, we develop custom formulations that align with the values of the brand and industry standards.

Essential Oil Blends – 100% Pure & Natural

Our high-quality essential oil blends ensure purity and efficacy, ideal for:

- **Aromatherapy** – Therapeutic blends for emotional well-being.
- **Skincare & Haircare** – Active combinations for targeted benefits.
- **Home & Personal Care** – Natural fragrance solutions.

We craft diverse scent profiles from florals, citruses, and woods, to exotic spices and herbal notes.

And best of all we prioritise affordability by selecting oils that deliver performance while maintaining cost-effectiveness.

Natural Blends with Essential Oils & Certified Natural Isolates

For premium yet budget-friendly natural fragrances, we offer custom blends combining essential oils with certified natural isolates. These provide:

- **Greater Scent Versatility** – More complex, sophisticated aromas.
- **Optimized Cost Efficiency** – Stable, budget-friendly formulations.
- **Regulatory Compliance** – IFRA and COSMOS-approved.

By balancing essential oils and natural isolates, we maintain high quality and authenticity while ensuring cost-effective large-scale production.

WHETHER YOU NEED A 100% ESSENTIAL OIL BLEND OR A COMPLEX NATURAL FORMULATION, AROMATICA BOTANICA IS HERE TO CREATE THE PERFECT SCENT FOR YOU.

Let's create something truly special together—reach out today and discover how we can bring your next formulation to life with authenticity, quality, and care.
